## PROGRAM DETAILS:

1. Your No-cost Acute Medication Program includes 37 acute drugs at no charge.
2. You may pick-up your prescription medication at any retail pharmacy of your choice (67,000 in our network).
3. Present your Rx Card to the pharmacy of your choice to utilize benefits.
4. All medications require a prescription.
5. No limit on prescription medication orders.
6. You also get access to the entire suite of BestChoice Rx products and discounts!

## HOW THIS PROGRAM WORKS:

1. Search for medications by entering drug name in search bar. If a medication is not on the No-cost Medication Program, a price will be displayed.
2. Present your Rx Card to the pharmacy of your choice. Your Rx Card will display your BIN, Group Number and PCN to present to the pharmacist. *You will pay nothing at the pharmacy.*
3. If you need other medications, easily search our website for deeply discounted prices.

**This a Pharmacy Subscription Service. THIS IS NOT INSURANCE.** We provide you direct access to medications at negotiated PBM pricing, and Home Delivery Pharmacy pricing on a pre-paid basis. Your Rx Card offers solutions for high-priced specialty medications via an International Pharmacy or PAP service. In addition, a discount pharmacy solution is available, where you search discount options and are directed to a specific pharmacy for super-low pricing. Sometimes, this can be your lowest price option.

**Your Rx Card is NOT Insurance. Discount Only** – Discounts are available exclusively through participating pharmacies. The range of the discounts will vary depending on the type of prescription and the pharmacy chosen. This part of the program does not make payments directly to pharmacies. Members are required to pay for all prescription purchases. Cannot be used in conjunction with insurance. You may contact customer care anytime with questions or concerns, to cancel your registration, or to obtain further information. This program is administered by Medical Security Card Company, LLC, Tucson, AZ.

Your Rx Card is not available in the following states: AK, ID, KY, MD, WV, WA, ME. Pricing is subject to change without notice. Most Pharmacies will accept Your Rx Card but it is not guaranteed. The final price is determined by your local pharmacy.

Formulary and pricing are subject to change. Please see website for current pricing.
